If the effects of the models be foreign only and obterical, and not continued to as to fatigue us, it enables pleasure. On the contrary, when this section is situated with a kind of illibides, inflation, difficulty, and difficulty, is crufes just more or left. In fine, various blues and aflecoins of the mind, fach as the exercise of memory imagination, and judgment, nearly for familiar reasons, are founders painful, in other times agreeable. "Aminn affection, qui model great certain, welcomesness, not graves the ditture, butuye partner acor certain vive frangust j, business intention thatum eatingumi, facplus longa valetiation macarant.. Of ~~fact infections~~ **fuch fenfations** and ~~fields are~~ **feelings as** are agreeable ~~of disgreensils,~~ **or difagreeable,** we may remark, ~~it's~~ **it's** a little, yet that they differ much, not only in degree, but in kind and ~~to slightly.~~ **in dignity.** Some belong to the animal part of our ~~mis-ture,~~ **nature,** and are common to us with the ~~brains: often be-long on~~ **brutes: others belong to** the rational and moral ~~than the~~ **part. The** first are more properly ~~called, _depilation_,~~ **called fenfations,** the ~~fall feeling.~~ **laft feelings.** The ~~Friends~~ **French** word ~~fenomen~~ **fenfiment** is common to ~~hold?"~~ **both.** The Authorized nature, in the distribution of agreeable and painful feelings, hair wisely and hencerevolently conducted the good of the few themes, which seem then us, by the means, which tensor of conduct we ought to hold. For, foly, The painful femations of the animal, kind and humanities to arxosh who would hurt us; and the agreeable femifications of this kind invice us to think actions that are according to the prefixrelation of the animals, or of the kind. Secondly, By the fame means nature invites us to moderate bodily life, and abnormalities to avoid affected and inactivity on the one hand, and couctifine labour and fatigue upon the other. Thirdly, The meanase ex-ce of all our national poverty gives practice. Pourishly, Every species of beauty is behold with pleasure, and it very forces of theonomy were digging and way final find all that we call beautiful, too, is something dimaable, or useful in talk(), or a sign of formething that is eliminate a unfair. Fylility. The because affections are all accompanied with an agreeable feeling, the results the common. And, Kirby, The high-ell, the noble and most durable plastics is that of doing well and calling the part that becomes us and the world bitter and mild feminine is the regular, and performs of a guilty confidence." These observations will

regard to the economy of women in the difficulties of our painful and agreeable fematıons and feelings are to dwell. Illustrated by the elegant and judicious sution of _Zienso écis botanisme agreshe, that we deem_ thunscherby to make any further rewards on this silnjel, you. Haravess and Paracusary. A little re-action may faility us, and the member and lawyer of our femations and feelings are prodigious. For, to outall it deals which accompany our together, patients, and affection, our moral feminism and feminantes of tate, even our external fields, while a great variety of femtions differing in kind, and almost in every kind an enclicis variety of degrees. Every variety we discern, with regards to tute, family, family, female, boys, and adults, and in the timely qualities of bodies, is indicated by a feminals corresponding to it. The mold genated and the most important division of our fematıons and feelings is into the agreeable, the diligressable and the indifferent. Everything we call freedom, happiness, or enjoyment, on the harsh and, on the other, everything we call money, pain, or friends, is fashion or feeling. For no man can for the present be more happy, or more mifarable, than he had himself to be, the remote devoted with regard to the enjoyment or suffering of the prefer moments. But, besides the ~~feminations~~ **fenfations** that are agreeable or ~~dilig agreeable,~~ **difagreeable,** there is full a greater number that are ~~insufficient.~~ **indifferent.** To ~~that he~~ **thefe** we give ~~a~~ **fo** little attention, that they have no name, and are immediately forgotten as ~~it~~ **if** they had
